

Coding with Kids

AFTER SCHOOL CODING CLASSES

CLASS AT FORCEY CHRISTIAN SCHOOL

SCRATCH: INTRO TO GAME DEVELOPMENT

Grades 3 - 5

Fri, 3:15pm-4:15pm

Feb 4 - Apr 22 (no class on Apr 8, Apr 15)

\$249 / 10-week session

Start your coding journey by creating your own games! In this course, students are introduced to the core concepts of computer programming that will lay the foundations for future coding success. Students learn basic coding concepts, such as Variables, Loops, and Conditionals. To apply and practice the concepts, they complete a variety of projects, such as interest-based games, mazes, and animated stories. Projects and activities are all designed to allow students to use their creativity while learning coding.

Registrations provided by your school
