Reading, Writing, and Math Enrichment Camp

July 7 – August 6

The Reading, Writing, and Math Enrichment Camp reinforces the skills students learned from the school year over the summer in a meaningful and fun way with Mrs. Groom and a team of over-achieving and friendly high school students. Mrs. Groom has taught K-12th grade since 1999, before taking on the role of Library/Media Specialist, with active teaching credentials from California, Virginia, and Maryland. Mrs. Groom is experienced with current teaching methodologies as those strategies are practiced with Library instruction. Please read below for our goals with the enrichment camp.

Reading:

- Students who completed Kindergarten to 5th grade read for enjoyment, vocabulary development, and to build stronger comprehension skills.
- Students read from various texts and genres and participate in fun activities such as puppet shows, reader's theater, and pair-shared reading.
- Students read instructions from board games and recipes to make treats, like tootsie rolls.

Writing:

- Students participate in activities such as Mad Libs and round-robin stories, in which one person stages the story, and the next person adds to the story.
- Students create comic books and write book reviews, instructions on how to make food items and responses to games such as Balderdash.

Math:

- Math instruction will be geared toward the student's ability based on their grade level while being challenged with fun, hands-on activities such as building a structure using marshmallows and toothpicks.
- Basic arithmetics and times tables will also be emphasized.
- Parents can share what the students need, and instructions will be tailored.

Joyful Praise Adventure Camp

June 16-27

Are you ready for the best summer ever? Come join us at our **Praise and Worship Camp**, where kids in kindergarten through 4th grade will have an exciting time singing, dancing, and learning how to worship God with all their hearts! Get ready to make new friends, discover the power of prayer, and have loads of fun with activities like praise parades, crafts, games, and so much more!

Throughout these two week-long adventures, your child will explore the joy of praising God through songs, dance, Bible stories, and hands-on activities. From marching in our Praise Parade to making colorful worship streamers, every day will be filled with exciting ways to connect with God and express their love for Him!

We believe that worship is not just for Sunday – it's for every day! So, whether they're jumping in our Worship Relay Race, creating a beautiful "Praise God" banner, or enjoying a walk to see God's amazing creation, your child will be filled with joy and excitement as they grow closer to Him. Let everything that has breathe praise the Lord!

Join us for **the ultimate summer of worship, fun, and adventure!** Your child will leave with a heart full of joy and a deeper love for Jesus!

Kindergarten Readiness Camp

July 7 – August 6

The Kindergarten Readiness Camp prepares rising Kindergarten students with the essential skills for success during the school year. Miss Powell has taught the elementary grades for over 20 years and is passionate about growing students academically and spiritually. Her teaching methodologies are up-to-date and appropriate for each individual's needs. Please read below for the Kindergarten Readiness Camp's plan.

Reading:

- Students have the opportunity to practice reading skills- letter sounds, vowels, and reading strategies that will help them to become better readers. Students will be grouped by their ability level and have the opportunity to practice these skills in fun and engaging ways. We will support weekly themes with hands-on activities, songs, and dances, and have lots of fun!

Writing:

- Students practice different types of writing styles: independent, opinion, poetry, and narrative writing experiences. The writing experience involves whole group stories that will be made into class books.

Math:

- Students practice writing numbers, counting, and participate in hands-on math activities that go along with our weekly themes. We will station and group activities for students to receive enrichment on their ability level.
