PIZZA FRIDAY

Presented by FCS PTO

PLEASE READ THE ENTIRE MESSAGE BELOW FOR IMPORTANT RULES AND GUIDELINES:

The Pizza Fridays Program is for full-day students in Kindergarten thru 8th grade.

Orders will be placed for the ENTIRE semester, 9/26/2025-12/5/2025. ONLY PIZZA WILL BE PROVIDED. Please send additional food and drinks with your child to school.

Pizza will be delivered to your child in the cafeteria (for grades 1 through 8) or in the classroom (for Kindergarten) on the designated Fridays during the fall.

Please note the following important information:

- If there is a scheduled half-day or no school on a Friday, that week will not count towards Pizza Fridays.**
- In the event of a field trip, if your child is absent, or if school is closed due to inclement weather or any other emergency on a Pizza Friday, the payment will not be reimbursed. This is considered a fundraising donation to the PTO and cannot be saved or transferred to someone else, including siblings. Parents are welcome to pick up the pizza for their child.**
- An absent student's pizza cannot be given to another family member or any other student, as this can cause unnecessary confusion for the Parent Volunteers.**
- The maximum number of slices that can be pre-ordered per student is 3.**
- Please be advised that if you do not pre-order pizza for your child, we will not be selling additional pizza this fall. Pizza cannot be guaranteed if you do not pre-order.**

**Thank you for your understanding and support
FCS PTO FUNDRAISER TEAM**
